Embarking on a new century of yearbooks we look back to the beginning. The first *Oak Leaves* was produced by the class of 1904. However, at the time of publication, *Oak Leaves* was not the 1904 yearbook for Meredith College. Instead, it was the College Annual for the Baptist Female University. Although the school opened it's doors in 1899, the first yearbook came from the class of 1904. Eight women undertook the daunting task of creating the first College Annual out of love for their Alma Mater. Furthermore, a new edition of *Oak Leaves* has been added to the collection every year for the past 100 years. Enjoy the centennial *Oak Leaves*!

JACKIE CASH

Jackie,
It seems like only yesterday that I sat in the hospital holding you in my arms as you entered the world. I'm so grateful to God for having had the opportunity to nurture and guide you through your start in life. While the time has passed by quickly, I cherish the memories that will last forever with me. I'm extremely proud, and you should be as well, of all that you've accomplished. As you embark on your future, remember to enjoy the journey, life is short, and nothing is perfect.
Love, Dad

Erin,

It's hard to believe that four years have gone by. Look at all you have accomplished. You went from homesick freshman to SGA president. You have grown from your experiences understanding more about people and life. We cherish and love everything about you. Our blessings go with you as you face a new career and new challenges. We are so very proud of you!

If you are every lying on a beach with 80 billion grains of sand beneath you,
700 thousand ocean waves in front of you,
60 million stars stretched out above you,
and you are not impressed at all,
I want you to think about this:
The light reflecting from the stars overhead is over one million years old.

But then, just before you start to fell like a mere blip in the gigantic scheme of things, please remember this:
Yes, you are small, but you are also irreplaceable and invaluable,and miraculous.
Those stars don't have anything on you.

And nobody, but nobody can ever love you more than we do.

We are very proud of you.

The 2003–2004 *Oak Leaves* was created to capture the events and memories of the faculty, staff, and students during this school year. We hope you find your memories throughout the pages. A glimpse into the history of the *Oak Leaves* was made for this centennial anniversary. This year's *Oak Leaves* pays a subtle tribute to the aging *Oak Leaves* by tracing the history implemented by a classical design and unique elements inspired by older *Oak Leaves*. We hope the yearbook lives on for many more years capturing the history of Meredith College.

Thank you's go out to all those who helped with the making of this yearbook; from posing for pictures, to submitting pictures, and to those creating the yearbook, and editing spreads. A special thanks to Mr. Blair Ligon, Mrs. Kim Trezona, the Office of Marketing and Communications, and Student Activities.

-Holly Ann Schmidt and Jackie Cash,
2003-2004 *Oak Leaves* co-editors

I would also like to thank my family and friends for their support while finishing the yearbook. Happy 100 Oak Leaves!
